# BOMBSHELL

Who says you can't pile on the va-va-voom? From the curve-hugging silhouettes to the artfully created barrel curls, your look is designed to draw stares.

**YOUR BEAUTY COMMANDMENTS**

- **Lip gloss is for kids**  
The first swipe of lipstick goes on the minute you roll out of bed; the last after nightcaps.
- **Make it big**  
Your hair, that is. For a classic Hollywood feel (think Marilyn) set hair in hot rollers, brush out the curls, backcomb the roots, and finish with a good shellacking of hairspray.
- **Real women have curves**  
A regimen that combines cardio and low-resistance weightlifting keeps your figure enviably toned without losing that sexy hourglass shape.

**On your lips**

*Try this big bold shade to create a signature red lip.*  
Elizabeth Arden Ceramide Plump Perfect Lipstick in Perfect Scarlet, \$46; 1800 015 500.

Make Me Up satin diamanté cosmetic bag, \$24.95 (with set of 5 beauty brushes); 1800 251 215.
