## STAY PUT!

Tired of constantly having to reapply your lip colour throughout the day? Now you can say goodbye to all the fuss, and hello to lusciously full, fresh-looking lips with the new Double Wear Stay-in-Place Lipstick. This luxurious lippy

has a satin-smooth finish that glides onto lips, and the long-wearing formula lasts up to 12 hours. Available in 12 elegant, classic shades. Call 1800 061 326 for stockists, or visit [www.esteelauder.com.au](http://www.esteelauder.com.au) for more info.

## MANI MAGIC

Never again will you smudge your nails right after you paint them with the Poshe' Super-Fast Drying Topcoat. This award-winning top coat prides itself on being super-speedy – it dries to the touch in one minute and dries to the nail in five minutes! The end result is longer-lasting nail colour, resistant to chipping, scratches and yellowing. For stockists, call 1800 251 215, or go to [www.datelinecity.com](http://www.datelinecity.com).

## POPPIN' EYES

Now you can have eyes that dazzle with Avon's new and improved True Color Eyeshadow. The duo compacts feature domed shadows and new applicators, while the quad compacts include a larger mirror and liner applicator to create flawless-looking eyes. Available in 10 new duo compacts, RRP \$26.99, or four new quad compacts, RRP \$29.99. Call 1800 646 000 for stockists.

## SAVVY PHONE

The new Nokia 6720 Classic not only keeps you in touch with family and friends, you'll also be able to share your memories on your fave social networking sites easily – thanks to the phone's SMP camera and fast internet connections. Get yours from Fone Zone today. Call 13 21 41.

## SAFE TAN

SunSense Bronze Shield is a light sunscreen with SPF 30+ that also gives a natural, non-permanent summer glow with the benefits of very high UVA and UVB broad spectrum protection. It's fragrance-free, dermatologically tested and suitable for all skin types. Available in pharmacies.

## SHOWER TREAT

Radox – the experts in blending and sourcing herbs and minerals – introduces the new Radox Mineral Infusions collection of shower creams. The range is available in two variants, renewing Vitamin C or hydrating Sea Minerals. Pick one up from Woolworths, Franklins and selected Coles outlets. Call 1800 066 376 for more info.

## POLISH AND SHINE

Keep your skin in top shape with QV Face Exfoliating Polish, which is gentle enough to be used every day. The inclusion of anti-irritant Avemide 15™ calms and soothes the skin, significantly lessening the chance of any redness or irritation, while the dual-action formulation brings much needed moisture to the fresh, new skin the exfoliating action reveals. Available in pharmacies nationally.

## CLEAN SKIN

Removing make-up before bed has never been easier with Neutrogena skincare products. The range includes the Fresh Foaming Cleanser, Make-up Remover Wipes, Alcohol-Free Toner and Oil-Free Eye Makeup Remover. Available from supermarkets, discount department stores and selected pharmacies nationally.
