

Jersey Design

You can choose your own jersey and colours. Tell us the style and colours you want and we will email you a graphic design of the jersey for your approval. We have given you jersey designs to choose from, but if you want something different, please call us to discuss your requirements. Only one jersey design per order.

School Crest

Embroider your school standard crest with the option of having "Leavers 2009" or similar embroidered underneath. This will be embroidered on the left chest of the jersey. If your school has not ordered from us before, we will need you to send us a clear copy of your school logo.

Nickname/ Number

You can have your own name and number, either one or two digits for number, maximum 10 digits for name. This will be one colour, block font and positioned on the back of the garment. We can supply a spreadsheet to complete with name, size, number, as per example.

Size	Nickname	Number
L	JIMMY	08
XS	BEX	08

What is Sublimation?

Sublimation is a process where a digitally printed image is transferred onto fabric using heat and pressure. We use non-toxic water based inks that are environmentally friendly to produce an image that is permanent. The colours are vibrant, dye fast and will not fade.
